

Thank you for your interest in Chairman's Academy, the Learning Management System that makes it easier for your business to get ahead. We take the complexity out of getting started by and using our highly innovative e-learning tools. Chairman's Academy has two exceptional paths to learning – The Learning Studio and The Online University. For helping educate your distribution and channel partners, the best option is The Online University.

To buy or do a 10-day free trial of The Online University, please visit <https://chairmansacademy.com/solutions/online-university/>

Deep in our DNA, the Chairman's Academy™ team understands how important it is to invest in the best online learning platform to drive your e-learning initiatives ahead. The Online University features include:

- User Management
- Storage Space & Backup
- Gamification & Communication
- Multiple Support Options
- Content and Course Management
- Reporting & Analytics
- LMS Customization
